

# Midwest Instructional Leadership Council

Building and sustaining capacity for  
improving the achievement of ALL children

## Secondary Level Applications of Response to Intervention (RtI)

The **Midwest Instructional Leadership Council [miLc]** is proud to announce a miLc Research to Practice Institute: Secondary Level Applications of Response to Intervention.

Implementing a data-based decision making system at the middle and high school levels can be wrought with challenges. Regardless of your building's stage of implementation, learn how to avoid common pitfalls and maximize your efforts to improve student outcomes.

**When: November 7, 2011**

**Where: Stoney Creek Inn, Onalaska, WI**

**Who Should Attend:** General Education Teachers, Special Education Teachers, Teachers of Students At-Risk, District and Building Administrators, School Psychologists, School Social Workers, Guidance Counselors, University faculty

**Registration Opens: August 2011**

**Website: [www.milcleaders.org/events](http://www.milcleaders.org/events)**
